## ABSTRACT

In 17th century, the Arnaud family moved from Grenoble to Trèsques in the Gard department. Over the generations, the Arnaud family will rise to the title of winegrowers after the purchase of a vineyard producing Côtes du Rhône wines. Frédéric Arnaud works alongside his father from his early age. After meeting a sparkling Sicilian girl named Joséphine, the decide to purchase in 1995 Château Courac. Château Courac produces today on 120ha exceptionnal Côtes du Rhône & Villages Laudun wine.

## PRESENTATION

Terroir

The soil is mainly composed of sand covering a layer of clay.

Vinification

The grapes are picked during the night or very early morning to avoid the high temperatures during the day. After destemming, the berries are gently pressed with a pneumatic press. The juice is settled at a cold temperature for 2 days. The fermentation takes place at a controlled temperature of around 18°C. No Malo Lactic fermentation in order to keep the freshness.

Ageing

In concrete casks convered in hypoxia. Bottling takes place in February - March follwing the harvest.
